# IDENTIFICATION SECTION

## Vision Statement

The vision of Community Christian School is to assist parents in providing a Christ-centered education for their children, including a Biblical worldview and academic excellence in order to prepare them for a life of service.

## Mission Statement

The mission of Community Christian School is to equip students to walk in truth, embrace excellence, and impact the world for Christ.

## Portrait of a Graduate

Graduates of CCS are lifelong learners and critical thinkers who are sought after for their wisdom and Christian character. Their identity is strongly rooted in Christ, and they cultivate a culture of honor wherever God has called them. They are world changers who love God, love others, and make disciples.

## Core Values

The core values of Community Christian School are as follows:

- The Bible is taught as the inerrant Word of God and has the power to change lives.
- The leadership, faculty, and staff of Community Christian School must be born again Christians.
- Every aspect of education at Community Christian School is based on the truth as revealed in God's Word.
- Community Christian School strives to provide learning experiences that will engage students to their full potential in Christ.
- The organizational principles and practices of Community Christian School are Biblical.
- Community Christian School partners with parents to establish life goals based on sound Biblical principles and lead their children toward a disciplined life in Christ.

## Philosophy Statement

The philosophy of education at Community Christian School is based on the truth as revealed in God's Word (John 17:7). The world is viewed as created by God (Gen. 1:1) and sustained by Him for the purpose of glorifying Him. Jesus Christ, the Son of God, is the "radiance of God's glory and the exact representation of His being" (John 14:9). Through Him the world was created and is sustained (Col. 1:17). Christ is the mediator between the perfect God and sinful man (II Tim. 2:5). The Holy Spirit regenerates, indwells, baptizes, seals, teaches, and guides the believer into all truth (Eph. 1:13; John 16:8-13).

Though created in God's image (Gen. 1:26-27), man has sinned and therefore has fallen completely away from God (Rom. 3:23). Because of this, man cannot comprehend or discern truth on his own, nor give glory to God in his natural state (1 Cor. 2:14). It is only through a personal trust in the saving work of Jesus Christ that man is given a new nature in which to glorify God and perceive truth. It is through this new nature that the Spirit of God works (II Cor. 5:17).

The educational model incorporates a three-fold approach in providing a context in which the Spirit of God works in the lives of believers. First, the knowledge about God as revealed in Scripture is the foundation for teaching our students to recognize a distinguished truth (John 1:1). Acknowledgement of God's principles undergirds every discipline taught (Isa. 28:10). Second, students are encouraged to integrate these principles in their minds and behavior (Pro. 23:7; Eph. 5:8). Third, as students experience transformation in their lives,

their nature becomes more like that of Jesus Christ, and their knowledge should result in an internal motivation to serve and thus glorify God (Gal. 2:20).

The educational process is seen as a tool used by the Holy Spirit to bring the student into a right relationship with God, produce God's wisdom in him, and equip him to fulfill God's purpose for his life (Eph. 1:17-18). As the student participates in this process, he should begin to expand his understanding of his own abilities, skills, and character qualities. The student should see himself as an integral and important part of his family, school, church, and society. The establishing of life goals and careers should be an outgrowth of sound Bible training (I Cor. 12:12-27). This process should involve parents and teachers who are demonstrations of the power of Christ to transform lives (I Cor. 11:1; Phil. 3:17).

The authority for this educational process comes from the first commandment which instructs man to love the Lord with his total being, and from God's instruction for parents to teach their children His ways (Deut. 6:4-9; Luke 10:27). By delegated parental authority, Community Christian School is a partner in training and educating children (Ps. 78:4-7).

## Statement of Faith

1. **We believe** the Bible to be the inspired, only infallible, authoritative, inerrant Word of God (2 Timothy 3:16; 2 Peter 1:21).
2. **We believe** there is one God, eternally existent in three persons, the Father, the Son and the Holy Spirit (Genesis 1:1; Matthew 28:19; John 10:30).
3. **We believe** in the deity of Christ (John 10:33); His virgin birth (Isaiah 7:14 Matthew 1:23; Luke 1:35); His sinless life (Hebrews 4:15; 7:26); His miracles (John 2:11); His vicarious and atoning death (I Corinthians 15:3; Ephesians 1:7; Hebrews 2:9); His resurrection (John 11:25; I Corinthians 15:4); His ascension to the right hand of the Father (Mark 16:19); His personal return in power and glory (Acts 1:11; Revelation 19:11).
4. **We believe** in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith are we saved (John 3:16-21, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
5. **We believe** in the resurrection of both the saved and the lost; those that are saved unto the resurrection of life, and those that are lost unto the resurrection of damnation (John 5:28-29).
6. **We believe** in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9; I Corinthians 12:12-12; Galatians 3:26-28).
7. **We believe** in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; I Corinthians 3:16; 16:19-20; Ephesians 4:30; 5:18).

## **History of Community Christian School**

Community Christian School, organized in 1977 as a ministry of Community Church, began as one large classroom with thirty-five students, a teacher, and an aide. At that time, an individually-paced curriculum was used. Growth was immediate from the beginning. The school doubled in size the second and third years and has continued at a consistent rate. In the third year of the school, traditional classrooms replaced the individualized approach for pre-kindergarten through eighth grade. In 1980, the school was expanded to include a preschool and daycare. In response to the need for Christian education at the secondary level, the board of Community Church decided to include a high school. In May of 1989, the first senior class, composed of six students, graduated from Community Christian School. In the summer of 1990, the school was accredited by the Association of Christian Schools International for kindergarten through eighth grades. In 1991, the high school was added to the accreditation.

Originally, the school was located in the church building on Sixteenth Street in Orange, Texas. In the mid-1980's, Community Church purchased a home adjacent to the church; this was used as the facility for the preschool and daycare. As the elementary and secondary schools continued to grow, more space was needed. Community Church was also experiencing rapid growth and needed more space. The church began an extensive building plan. To accommodate the school during this time, the church leased an empty church building from the First Church of the Nazarene; the secondary classes were moved to that location. During the following four years, the school operated as a split campus. In the spring of 1994, the secondary classes were moved to the new church facility on Martin Luther King Drive, Orange, Texas. The preschool and elementary classes were moved

during the 1994/1995 school year. In June 2002, Community Church built a 1200 seat sanctuary which the school uses for special occasions. The last phase of the building plan includes plans for a gymnasium and a secondary school addition to the building. The present building will be modified in order to better serve the church and the school.

The school has grown from the original thirty-five students to the present enrollment of 304 students, including preschool. Over 200 families from multiple area churches in the Golden Triangle and southwest Louisiana and ten communities throughout southeast Texas and southwest Louisiana are represented in the school. In 2007, Community Christian School celebrated thirty years of offering Christian education to students.

In February of 2011 Catherine Stewart went home to be with her Lord and Savior, but her legacy lives on through Community Christian School where current administration continues on the 39 year legacy of *a passion for Christ and a passion for education*.

## Accreditation

Community Christian School has received accreditation for grades K5 through twelfth from the Association of Christian Schools International. This accreditation is recognized by the State of Texas and affords Community Christian School all the rights and privileges of schools accredited by the state of Texas. It also assures parents of the quality education their children receive at Community Christian School.

## ADMISSIONS

Community Christian School accepts students seeking entrance in grades seventh through eighth upon successful completion of entrance requirements and evidence that their parents share in the school's goals. Students seeking entrance in grades ninth through eleventh are accepted upon successful completion of entrance requirements, ability to fit into the schedule offered, and evidence that the students and their parents share in the school's goals. In addition to the requirements, students entering grade twelve must have attended Community Christian School in eleventh grade.

Because a high standard of achievement is expected of each student, a careful analysis of each applicant is made. Each prospective student is interviewed and tested with the prerogative of the administration to select and place the student into the class best suited for his/her needs. All new students are accepted on a minimum six-week probationary basis. Acceptance and continuation of a student in the school is based on the student's conduct, academic achievement, emotional stability, and social behavior.

### REQUIREMENTS

2. An interview with the prospective student and the parents will be set up with the principal.
3. Parents must complete and return all forms contained in the enrollment packet.
4. Parents must provide a copy of the most recent immunization record to the school and turn in with the enrollment packet.
5. Transcripts and records from previous school must be obtained. Achievement test scores must be included.
4. Testing for grades 5-8 must be completed and properly evaluated.
5. The administrator will review the test results, will discuss placement of the student with the parents, and will finalize scheduling, etc.
6. Students and parents must agree to support the philosophy and goals of Community Christian School.
7. No student may begin class until **all** enrollment papers are completed and filed in the office.

#### RE-ENROLLMENT

**Students are evaluated on a yearly basis. Re-enrollment is contingent upon approval of administration.**

1. Parents must go online to the CCS website to register through RenWeb.
2. Parent and student must fill out all required forms.
3. Parents must sign the payment contract with bookkeeping and agree to policies and procedures in handbook.
4. Student name is put on the official roster.

Due to the current facilities and personnel, Community Christian School is unable to admit students with special education needs, emotional and mental problems or other problems that might affect the classroom teacher's ability to operate an effective learning program for the majority of the class.

#### NONDISCRIMINATORY ADMISSION POLICY

Community Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. CCS does

not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic or other school-administered programs.

## **TRANSFER STUDENT POLICY**

See policy for **New Students**

## **WITHDRAWAL FROM SCHOOL**

Parents desiring to withdraw their children from school should send a written notice to the school office two weeks prior to withdrawal. No student's records will be released to other schools until all outstanding tuition, fees, and library books returned/fees paid, all locks returned, and cafeteria charges have been paid.

**If student attends one day of any month, the parent is responsible for tuition payment for that month.**

# **FINANCES**

Tuition is used to pay for salaries, suppliers, and services for the school year. **It is important that each student's fees be paid on time to enable the school to meet its financial obligations.**

This list does not include all fees and obligations. Students will be notified of other expenses as they occur.

## **ENROLLMENT DEPOSIT**

Enrollment deposit is **non-refundable** and **non-transferable**. The enrollment deposit is due before a student is officially enrolled in school. Parents may use this year's enrollment deposit for next school year deposit in lieu of applying it to the May payment.

## **TUITION**

Tuition is an annual fee payable as outlined below. Tuition is to be paid in full unless the school specifically permits, on an individual basis, for it to be excused. The first tuition installment is due on the earliest of the following applicable dates:

1. One full payment on or before June 1, 2016 for the yearly tuition.
2. Two payments of one-half the yearly tuition, on or before June 1, 2016, or the date the student begins school; and the second payment on or before December 1, 2016.
3. Twelve equal monthly installments for the yearly tuition beginning June 1, 2016 and concluding with the final installment on May 1, 2017 if enrolled on or before June 1, 2016. If enrolling after June 1, 2016 the yearly tuition will be divided into equal monthly installments beginning the month of enrollment and ending May 1, 2017.
4. Students enrolling during the 2016-2017 school year must pay a registration fee and the payment for the month in which the student begins classes. Payments are then due the first of each month concluding with the final payment on May 1, 2017. **The registration fee is non-refundable and non-transferable.**

All payments are due on 1<sup>st</sup> of the month in the school business office and are considered **late after the 20<sup>th</sup>**. The school is not responsible for payments not given directly to the business office. All fees and obligations are to be paid on a timely basis. All accounts are **delinquent after the 20<sup>th</sup> day of the month**. A \$10 late fee will be assessed to **each** family's account which exceeds \$25 (Example: tuition, daycare, lunch charges, library fees, etc.). If a bill is past due for more than 30 days, the student will not be allowed to attend class and may result in termination of enrollment. At the end of every 9 week period, if student's account is delinquent access to report card and ParentsWeb will be restricted until the account is up to date. Report cards and permanent records will be held for delinquent accounts. **All fees and obligations must be paid in full before student will receive a final report card or before cumulative records will be released.**

Should a check be returned for any reason to the school from the bank, the tuition account will be assessed a service charge. Should two checks be returned for the reason of “non-sufficient funds,” all further payments are to be made by cash or money order.

## **WITHDRAWAL**

Parents must notify the school office two (2) weeks prior to withdrawal. This helps both parents and the school. **If a student attends one day of any month, the parent is responsible for tuition payment for that month.** (Tuition is a yearly amount that may be paid in monthly installments.)

## **FEES**

Certain additional fees may be required for students. These fees include, but are not limited to computer fee, field trip fee, graduation fee, science fee, activities fee, music and drama fee, athletic fee, library fee, and testing fee.

## **PAYMENTS AND INVOICES**

During the school year payments will be accepted by any of the following three methods. First, payments can be made at the main business office at 3400 M. L. King Orange, Texas 77632. Payments will be accepted from 8:00 a.m. until 4:00 p.m. In the months of June and July payments will be accepted Monday through Thursday 8:00 a.m. until 4:00 p.m. Payments can be made in cash, debit/credit card, or by check. The second option is payment by mail personal check or cashier checks only. The third option is payment on line. ***The online payment system is a function of our Shelby accounting system and will require a different user name and password than the school RenWeb Administrative System. It is our hope that the majority of payments will be made online.***

The online feature of the new payment system will also serve as the method of distributing monthly invoices. Individuals can anticipate invoices being posted online no later than the 7<sup>th</sup> of each month with payment due by the 20<sup>th</sup>. Payment is considered made if it is hand delivered to the business office on the 20<sup>th</sup>, or if mailed, it is post marked on or before the 20<sup>th</sup>. ## ACADEMICS

### ACADEMIC POLICIES

Students must contact the administrator **prior** to enrollment in classes outside the school (correspondence, extended study, home school, etc.). Credit will not be given without prior written approval. These courses must be completed and grades reported to the school office **by the progress report date of the last nine weeks of school.**

### GRADE REPORTING

Evaluation of the student's progress will be made and communicated to the parents at the end of each nine-week period. Interim reports may be made as warranted. Questions regarding these reports should be addressed to the teachers involved and conferences arranged as needed.

To maintain school/parent communication, progress reports will be emailed from RenWeb each week of a reporting period.

\*Report cards and ParentsWeb will be turned off if an account has any outstanding balances, library fees, etc. They will be turned back on when account is up to date.

Report card grading will be numerical.

### GRADING SYSTEM

A	Excellent	90-100
B	Good	80-89
C	Average	74-79
D	Passing	70-73
F	Failure	Below 70

Homework and Daily Work	20%
Quizzes	30%
Tests	50%

## HELP CLASS

(Science and Math help classes are at 7:15 a.m.)

## LEARNING RESOURCE CENTER (LRC)

LRC is available after school each Tuesday and Thursday 3:30 pm – 4:30 pm. **Students must be picked up no later than 4:30 p.m.**

\*\*\*Students who have an incomplete or a “0” for any homework, daily work, quiz, or test in any class are **required** to attend LRC regardless of sports event/practice, school event, etc.

## STUDY HALL (Available for 7<sup>th</sup> – 8<sup>th</sup> only)

\*\*\*Any student in the building after 3:35 p.m. **must stay for Study Hall and must be picked up NO LATER THAN 4:00 p.m.**

In cases of emergencies requiring delayed pick-up, parents should notify the school office. Study hall will be only for Mondays and Fridays from 3:35 – 4:00 p.m. **Students who stay for Study Hall must pay a daily rate of \$5.** Athletes staying for sports practice must go to Study Hall until practice begins; student will not be charged.

\*\*\*Students are not to stay on campus on Wednesdays to wait for church activities unless the student has adult supervision.

## HOMEWORK

(No homework on Wednesdays)

It is our belief that the student’s educational experience may be enhanced by challenges which are extensions of the educational experiences in the school. The degree, intensity, and scope of homework activities may increase with each year in school. To develop a common understanding of our regulations on homework, the following guidelines are offered:

### General Objectives of Homework

1. To **ENRICH** school experiences through home-related activities
2. To **STRENGTHEN** the basic skills by further practice and application
3. To **PROVIDE** students who have been absent an opportunity to complete assignments
4. To **STIMULATE** a voluntary effort among students to show initiative and a sense of responsibility
5. To **HELP** students strengthen work and study habits

All students are expected to do assigned homework. Parents can help their children most by providing a comfortable place where good study conditions prevail. Approximate length of time to be spent on homework for grade 7 and above is 90 minutes. **This may vary according to the time-on-task of the student.**

**Parents who come to school to get homework for a student who is ill must call or email the office before 10:00 a.m. to give teachers time to prepare the needed make-up work.** Homework assignments may be picked up after school (see also Make-up Work). Homework can also be found on RenWeb.

### Failure to complete homework is handled as follows:

1. First offense: a warning and parent contacted\*
2. Second offense: a warning and parent contacted\*
3. Third offense: - zero (“0”) and a detention
4. Fourth offense: - zero (“0”) In-House (at an additional charge)

\* **on the first & second offense, a student may have one day to turn in the late homework for a grade of 70.**

\*\*\*Student must attend LRC until the homework assignment is handed in.

**\*\*\*Students with a 0 in any subject, with missing work, and/or incomplete work at the end of each nine weeks will be required to attend Remediation & Review Day.**

## **PROMOTION AND RETENTION**

In grades 5 - 8, a student must have an overall final average of “C” in all classes, with a 70 final average for three of the four following subjects: math, English, science, and history, in order to be promoted. A student who fails to meet the above requirements is subject to retention unless a maximum of two failed subjects is successfully completed in summer school.

A student who maintains a low, but passing, average in math or English may be recommended for tutoring or summer school during the summer, in order to prepare for the next school year.

## **AWARDS**

Awards will be given at the end of the school year for those who have received special honors in school related activities. Parents are encouraged to attend the awards programs: Athletic Banquet, Character Awards, End of School Awards.

**The administration determines the cut-off date for determining awards. This is an average.**

**If you feel there are any discrepancies, please do not come into the office. Call or email the JH/SH Administrative Assistant the day after awards to address your concerns.**

Principal Award Students who achieve 95 or above in **all** subjects, including electives, each nine weeks

“A” Honor Roll Students who achieve A’s in **all** subjects, including electives, each nine weeks

“AB” Honor Roll Students who earn A’s & B’s, including electives, each nine weeks

Academic Excellence Students who achieve 90 or above each nine weeks in a core subject

Academic Gain Students who achieve 90 or above each nine weeks with modified work in a core subject

Special Recognition Given to eligible students in non-core subjects, chosen by teachers for showing good character, hard work, and good grades

Perfect Attendance Given only to those students who have not missed **any** classes

Character Awards Given to high school students who consistently demonstrate designated character traits throughout the school year.

## **TESTING**

Students in 5<sup>th</sup> – 8<sup>th</sup> will be tested.

## **TESTING CORRECTIONS**

Any student who earns a failing test grade may be retested or allowed to correct the test. No grade higher than a 70 may be earned. Retests are scheduled at the teacher’s discretion.

## **TEXTBOOKS**

1. Students will be issued consumable and non-consumable texts. **They become the responsibility of the student and lost books must be replaced by the student. The student’s account will be charged for the cost of the textbook lost.** The school will not participate in the sale of used textbooks.

## **CHEATING/PLAGIARISM**

Cheating and/or plagiarism will result in an automatic “0” and detention. The second offense will result in an automatic “0” and in-house suspension. The student will be in danger of losing credit for the subject, and in cases of a dual credit class, the loss of both high school and college credit.

**Administration will have final say as to what constitutes cheating.**

# ATTENDANCE

Regular attendance and punctuality are required of every student. Students who have good attendance generally achieve higher grades, enjoy school more, and are much more employable after leaving high school. We expect all students to attend school regularly and be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility.

If it is necessary for the student to leave school, before dismissal, clearance with the school office must be obtained. A note, excusing the student, must be provided by the parent. In addition, the parent must sign the student out of school. Students who have their own transportation may sign out, but they must have a note from their parent. Please try to arrange for doctor, dental, and other appointments to be scheduled after school. Any extenuating circumstances regarding absences should be presented to the administrator prior to the absence. The authority for determining the legitimacy of an absence rests with the school administration.

Attending a school activity is not an absence, work is required. No extra time will be given to complete work.

## REPORTING ABSENCES

1. A record of absences is kept in the school office and by each teacher.
2. **Upon returning to school, the student must present a note to the office from his/her parents explaining the reason for the absence.**
3. **Failure to bring a note from home within three days will result in an unexcused absence, regardless of the reason. This is the responsibility of the student and parent not the teacher or the office.**
4. Administration determines the validity of the excuse for the absence.

**If a student is absent four or more consecutive days, a doctor's excuse is necessary for the student to re-enter school.**

**\*\*\*Any student who has (4) or more absences per class in a semester is in danger of loss of credit for that semester. See R&R Days on page 18.**

## EXCUSED ABSENCES

1. **Personal illness**
2. **Death in the family**
3. **Emergencies**
4. **College visitation**
  - a. High school juniors or seniors will be allowed two (2) days for college visitation per year.
  - b. College visitation days are considered a personal day.
  - c. College visitation absences will be counted as "excused" only when written parental consent is given to the office **PRIOR** to the visit and all coursework is made up. All coursework must be completed and turned in upon student's return to school.
  - d. Student must bring verification from the college visited.
5. **Pre-arranged absences – Trips during the school year are highly discouraged.** If a family feels that a trip is necessary, the parent is to give notice to the administrator **one month PRIOR** to the trip. Absences will be unexcused if not arranged prior to leaving for the trip.
  - a. When scheduling recurring medical/dental appointments, please attempt to stagger these appointments.
6. **Personal days - With PRIOR approval, a parent may obtain permission for an excused absence for a personal day *for a legitimate reason*. Personal days are limited to **ONE** per semester.**

## UNEXCUSED ABSENCES

1. Any absence not deemed as valid by the administration will be considered unexcused.
2. Any student that is truant will receive disciplinary action.

3. Any student who does not turn in a note to the office from his/her parents explaining the reason for the absence. **Failure to bring a note from home within three days will result in an unexcused absence, regardless of the reason. This is the responsibility of the student and parent not the teacher or the office.**
4. Any student who is not a member of a team who attends a game during school hours.

**\*\*\*Students may only leave campus for lunch with a parent. Students may not “run errands” during the school day.\*\*\***

**If a student has four or more absences in a nine week period the student will be required to attend Remediation & Review Day.**

**If a student has ANY unexcused absences the student will be required to attend Remediation & Review Day.**

### **HOMEBOUND**

If absences are considered excessive by Administration and are a result of a diagnosed medical condition, the Administration may place the student in a homebound status until the issues are resolved.

### **MAKE-UP WORK**

When a student has been absent, **it is the responsibility of the student/parents** to secure assignments from the school office in order to be ready to participate on the day of return to school. **Parents must call the office by 10:00 a.m. to give the teachers time to prepare the assignments.**

Students are given **two days for each day of excused absence** to make-up all tests and work missed. Parents please have your student utilize LRC (the Learning Resource Center).

**\*\*\*This does not include absences due to extra-curricular activities such as sports, academic competitions, college visits, etc.**

**\*\*\*Attending a school activity is not an absence, school assignments are required to be handed in the day after the activity.**

### **TARDIES**

Promptness to school is of utmost importance. Tardiness disrupts the normal teaching pattern of the classroom and develops unproductive patterns and habits in the student. Tardies may be accumulated by the student for tardiness both at the beginning of school and in between classes. A record of all tardies will be kept in the school office. Administration determines the validity of an excuse for a tardy.

**\*\*\*Any student who is 15 minutes late to any class period will be considered absent. If a note from a parent is not received the absence is an automatic unexcused absence.\*\*\***

**\*\*\*Any student who leaves more than 15 minutes before class ends will be considered absent.\*\*\***

#### **Admittance to school when ARRIVING TO SCHOOL late**

1. The student **must** obtain an **admission slip** from the **school office**.
2. The student **must** have a note from parent/guardian **stating the reason** why the student is late.
  - a. **If a note is not received the tardy will automatically be marked unexcused.**
3. The student must then take the **admission slip** to the classroom teacher for signature.
4. **Teachers will mark all tardy students as absent (A) until they have received the **admission slip**.**

#### **Students tardy to class during the school day**

1. It is the responsibility of the student to fill out a **tardy slip** with the time and explanation for being tardy and to give the slip to the teacher.
2. Teachers will mark all tardy students as absent (A).
3. The teacher will change the absence to a tardy **ONLY** if the student has turned in the **tardy slip**.

## UNEXCUSED TARDIES

1. **Unexcused** tardies include, but are not limited to: oversleeping, waiting on a car pool, issues with the alarm clock, excessive car problems, and errands to run before school. **(These will be excused only ONE time, and only if a note is provided.)**
2. Three (3) unexcused tardies in a nine (9) week period will result in a detention.

## TRUANCY

Truancy is an absence without the knowledge and consent of parents and/or school staff. This includes leaving school without permission before the end of the school day, or staying out of a scheduled class or activity without permission. Truancy will result in disciplinary action.

# DRESS CODE

## PHILOSOPHY

Our commitment at Community Christian School is to do all things in a way that is pleasing to the Lord and that will bring honor and glory to Him. Accordingly, what we wear should direct subtle attention to the inner person, not the physical body. The essence of our dress code is expressed in I Peter 3:3-4, which states our attractiveness should not be based on what we wear, but on our hidden inner self, “the unfailing beauty of a gentle and quiet spirit.”

The community Christian School dress code has been established to provide minimum standards of dress and appearance which will assist parents and students in choosing appropriate clothing to be worn to school and **school functions**. We realize that clothing styles are cultural and cultural standards are not always right or wrong. However, student attire needs to be *safe, conservative, modest, neat* and *appropriate*; also, it should not be a distraction, express an ungodly lifestyle, nor tempt others to stumble.

## POLICY

Students need to adhere to the following dress code standards. Unless otherwise designed, these standards apply **AT ALL TIMES** when the student is on the school campus or at a school sponsored event/sports event at any location at any time. Since the following standards/guidelines are not intended to cover every possibility, **the administration will make the final decision regarding dress code compliance or any questionable clothing or style that is not specifically addressed**. We wish to assure both students and parents that while standards of dress will be enforced, students will be dealt with in Christian love and fairness, with concern for the individual involved.

## **CONDUCT/DISCIPLINE**

### **PHILOSOPHY**

Students at Community Christian School are expected to conduct themselves on and off campus according to high standards of Christian conduct. This includes, but is not limited to, Christian standards of love, morality, and honesty. Obvious immoral behavior such as profanity, disrespect (either for those in authority or other students), cheating, stealing, fighting, etc. are grounds for dismissal from school.

The prevailing attitude of all students and parents concerning Community Christian School should be that attendance is a privilege. Learning demands the cooperation of the learner. Therefore, it is important that each student's conduct reflects a positive attitude toward both the school and its policies.

The following are guidelines (although not all-inclusive) regarding student conduct, which aid in the attainment of this goal. Students are required to:

- submit to all policies and procedures of Community Christian School
- obey all those in authority willingly and courteously. (Submission to human authority is the prelude to submission to God's authority)
- refrain from defacing or damaging any property belonging to Community Christian School
- keep facilities neat and clean
- respect others and their property at all times
- refrain from all cheating, lying, stealing, gossiping, or backbiting, etc.
- display good sportsmanship at all times
- take responsibility in doing assigned work
- refrain from public shows of affection or any conduct perceived as sensual or immoral
- leave items such as (but not confined to) radios, tape recorders, pagers, mp3 players, iPods, etc. at home (see code regarding Electronic Devices)

### **CLASSROOM CONDUCT (students are expected to)**

- refrain from chewing gum in the building or in school vehicles
- be on time for class and seated when the bell rings to begin bell work
- be responsible for having all materials (paper, books, pen/pencils, etc.) for class
- respect the teacher as the authority in the classroom at all times even when not in agreement with the teacher's policy or procedures
- be in the classroom during the class period unless given written permission (hall pass) from the teacher; students must sign out on list in classrooms to document time and intentions
- refrain from talking (or any other disruptive activities) without the permission of the teacher

### **OFF CAMPUS CONDUCT**

Students of CCS are representatives of the school, their parents, and the Lord at all times. Therefore, there are certain guidelines that go beyond the school setting. The following constitutes serious breaches of discipline and

make the student subject to disciplinary review and possible action, including expulsion, **even if the event occurred away from school:**

- involvement with the occult
- involvement in a misdemeanor or felony
- possession or use of illegal drugs
- sexual immorality
- consumption or distribution of alcoholic beverages
- smoking or possession of cigarettes
- stealing or shop-lifting
- vandalism
- malicious prank against a school representative (e.g. teacher, coach, administrator)
- possession of a weapon (pocket knives are considered weapons)
- shameful behavior
- inappropriate dress at school functions
- inappropriate photos or text on social media (see Social Media policy)

## **CODE OF HONOR**

1. **Perspective:** All students are challenged to focus on an eternal perspective. It is through this eternal perspective that one submits his or her attitude, rights and self to God and those in authority.

### Key Concepts:

- We have an eternal mindset vs. a temporary, earthly mindset at all times.
- We possess a constant attitude of gratefulness.
- We are focused on being “others-centered,” selfless and servants.
- We recognize that our eternal purpose is more important than our personal agenda.

2. **Purpose:** Every member of CCS is challenged to understand and commit to the school’s Mission Statement. The core components of the Mission Statement are continually practiced. In pursuit of excellence in education, the mission of Community Christian School is:

❖ To equip students to walk in truth, embrace excellence, and impact the world for Christ.

### Key Concepts:

- We recognize that our partnership with parents (family) is vital.
- We understand that embracing biblical Truth is much more than “knowledge.”
- We know that striving for academic excellence requires honesty and integrity and rigor.
- We understand that modeling Christ-like Servant Leadership is about being “others-centered,” and serving as His leader to influence others.
- We understand that our lifestyle off campus should reflect these goals.

3. **People:** All people deserve to be treated with respect and dignity. Everyone has value and our focus should be on serving others. This begins by respecting them and accepting them unconditionally.

### Key Concepts:

- We treat all people with respect and dignity (teachers, custodians, visitors, classmates, other schools and local businesses).
- We are inclusive rather than exclusive.
- We recognize that simple actions such as a smile, friendly greeting, hand-shake and eye contact demonstrate respect, care and are “others-centered.”

4. **Programs:** Active participation in the life and culture of the school's programs is encouraged. Participation is a privilege and an honor. Supporting other participants models our "others-centered" principle, and submitting to authority reflects our eternal perspective.

Key Concepts:

- We know that our out-of-classroom experiences during school hours, such as Chapel, service project days and mission trips are a major part of our curriculum and that understanding and supporting their purpose is demonstrated by respect.
- We always respect that God made some to love the arts, some to love athletics and some to love academics, or a combination of all. Supporting one another creates unity and friendship. It makes our school more complete when all of these programs succeed.

5. **Property:** The environment, and in particular, the school's facilities and equipment are to be maintained with the utmost care and respect. This stewardship principle carries over into all areas of one's life.

Key Concepts:

- We recognize that keeping our classrooms and lockers orderly is a reflection of our gratefulness and respect.
- We never leave a space on campus until it is clean.
- We stop to pick up trash whenever we see it.
- CCS property is treated with respect, and we do not do anything that could potentially leave damage to its grounds, facilities or contents therein.

## DISCIPLINE

Discipline (which is simply **training** that corrects, molds, or perfects character) is a basic purpose of this school and is designed to help students achieve self-discipline.

*My son, regard not lightly the chastening of the Lord, nor faint when thou art reprov'd of Him, for whom the Lord loveth He chasteneth...*

*Now obviously no "chastening" seems pleasant at the time, it is in fact most unpleasant. Yet when it is all over we can see that it has quietly produced the fruit of real goodness in the characters of those who have accepted it (in the right spirit). Hebrews 12:5-13*

Discipline is absolutely necessary to the progress of education. Without it, little learning occurs. Good discipline at school begins with good discipline at home. Without a Biblical standard of discipline in the home, it is difficult for Christian schools to maintain a Biblical standard of discipline. Community Christian School is not a corrective institution. We are here to work with the home, but not to take the place of parents in fulfilling their roles.

Community Christian School uses an assertive discipline strategy for maintaining appropriate behavior (following directions, communicating only with permission, cooperating with teachers and students).

## HALLWAYS

Students are not to loiter in the hallways. They are to go directly to their locker and directly to class.

All students must be issued a hall pass when out of the classroom for **any purpose** during the regular school day. Any student without a hall pass will be sent back to class.

## LUNCH

- 5<sup>th</sup> & 6<sup>th</sup> students will sit near the back doors in the large commons.
- 7<sup>th</sup> & 8<sup>th</sup> students will sit by the front door in the large commons.
- After bringing food to the table, **students are not allowed to make return trips to the kitchen.**

- Students are not allowed to take tests during lunch unless they have written permission from the teacher. Note must be given to a teacher on lunch duty.
- Students will be dismissed **one section at a time**.
- **Students may not leave until all chairs are pushed in and ALL trash is picked up and thrown away.**

## **ELECTRONIC DEVICES**

- Cell phones, iPods, MP3/MP4 players, etc. are not to be used in the classroom without teacher permission.
- Electronic devices must be turned off or on silent and put away (along with all accessories) during class times. (Exceptions are for classroom learning at the teacher's discretion.)
- Devices used inappropriately will be taken up by the teacher.
- Confiscated devices will be turned in to the bookkeeping office where it will be locked up until the end of the school day.
- The school will not be responsible for lost or stolen devices.
- Consequences for violation of this policy are outlined below:
  - 1<sup>st</sup> offense: a fine of \$20.00 is to be paid and parent notified before the device is returned to the student.

Failure to serve detention will result in the detention doubling. **Detention will not be postponed due to student activities.** Detention will double only once, after which the student will be placed in In-House Suspension. After the fifth detention, the student will also be placed in In-House. All In-House procedures will apply (see Suspension policy). The student must attend school; however, the student is isolated and supervised while doing assigned work.

The following conditions apply to In-house Suspension:

- In-house suspension assignments must be completed before returning to class.
- In-house suspension from class is treated as an unexcused absence but will be changed from unexcused to excused, **upon completion of all assigned work.**

Students at any time, unannounced and selectively, may be required to submit to drug testing. **This will be at the student's expense.**

## **SOCIAL MEDIA POLICY**

CCS recognizes the role and importance of social media in today's student culture. In accordance with the school's mission statement and core values the commitment and expectation surrounding the use of social media is intentionally high. Social media (Facebook, Twitter, Myspace, Instagram, YouTube, personal texting, etc.) is a powerful tool of communication that has a significant impact on your personal reputation as well as the reputation of Community Christian School. Social media also provides students with unavoidable temptations. The purpose of this policy is to protect students from unwanted social media pressures, set the school's guidelines for appropriate behavior, and to encourage parents to take an active role in monitoring their children's usage and presence on social media websites. Remember to think twice before posting, or "liking" inappropriate groups. Privacy does not exist in the world of Social Media.

Guidelines for social media use:

1. Exercise care when participating in use of social media within CCS and outside of CCS.
2. Consider everything communicated via social media is public information even if there is limited access to the site. This includes texts, images, video, and audio.

3. Consider once a post of any kind has been published it may become the property of that social networking site. These sites are often searchable even after content has been removed or deleted.
4. Consider colleges, universities, and employers are now reviewing individuals on social networking sites as part of their overall evaluation of applicants.
5. Exercise caution in every social media post. Remember that text and images do not carry tone or context. What may be an innocent comment or image posted in jest may not be perceived that way.
6. Exercise great care in posting any sort of personal information including names, phone numbers, and locations.
7. Exercise great care in “liking” or “friending” groups of an explicit/vulgar nature.

Students who violate our Social Media Policy may be given detention, suspension, or expulsion for their actions. Social media violations may result in, but are not limited to, detention, suspension, and/or expulsion depending upon the number of violations or the circumstances of an individual violation. Severity of punishment will be determined by the administrator.

Students **MAY NOT:**

1. Post inappropriate or threatening messages about or to another student, faculty member, or administrator.
2. Post explicit photographs or videos of themselves or another student. Students should be reminded that explicit online photographs or videos of another student can constitute a criminal act.
3. Misrepresent, criticize, or denigrate the school or its employees in any way.
4. Use social media to share homework, quiz, or test answers.
5. “Like” or “friend” groups of an explicit/vulgar nature.
6. **Post any photos taken during school hours or on school campus without permission of the administration.**

**PREGNANCY POLICY**

Hebrews 13:4 teaches that God honors marriage and calls all sexual immorality sin. For this reason any student at Community Christian School who becomes pregnant or fathers a child while attending Community Christian School will be dealt with as follows:

1. The administrator will have a conference immediately with the student(s).
2. The spiritual ramifications of pregnancy will be addressed.
3. The parents of the student(s) will be called for a conference.
4. The student or students will be suspended immediately. Suspension will continue for an indefinite period after the birth of the baby.

The administrator will cooperate with the student(s) in whatever way seems most helpful to deal with the entire situation. Community Christian School will not serve as a condemning body where pre-marital pregnancy is concerned. It will only serve to lead the student(s) to repentance. Once the student(s) repent, the school will operate on the principle that it has no right to condemn the person(s) that God has forgiven.

**Re-admission Following Pregnancy Suspension**

All applications for re-admissions will be reviewed on a case-by-case basis. The final decision rests with the administration.

**Extreme or repeated offenses will result in expulsion of a student.**

**CCS is a drug-free, gang free, weapon-free zone.**

**Please note: Should a situation arise where there is no cooperation between the home and school, the administration has the option to dismiss the student.**

## ORGANIZATIONS/PROGRAMS

### PARENT TEACHER FELLOWSHIP (P.T.F.)

P.T.F. is a group composed of: parents, teachers, and administrators who work corporately to enrich educational opportunities for students. All parents are encouraged to participate.

### STUDENT LEADERSHIP INSTITUTE (SLi)

Student Leadership Institute is a deliberate plan for students to be trained in the biblical model and definition of leadership with a core emphasis on three operating principles—service, evangelism/engaging the culture, and church involvement. SLi focuses on key characteristics of Jesus' leadership aid designed to impact both the individual and his or her sphere of influence. In essence, CCS becomes a laboratory for hands-on training for leadership and discipleship as students are trained to become more like Christ. Training takes place in the form of Marketplace issues, Cultural issues, Campus Connection Teams, and Elective courses. Students are engaged in a year-long, multifaceted, Biblically-based program assisting them in the development of their leadership philosophy and skills.

### NATIONAL JUNIOR HONOR SOCIETY

**Induction into NJHS is a privilege, not a right. The decision of the Faculty Advisory Council is final.**

## HEALTH AND SAFETY POLICIES

### PREVENTION AND CONTROL OF COMMUNICABLE DISEASES

A. Immunizations - All students must have proof on file of compliance to the immunization requirements of the State of Texas. Failure to comply will result in suspension from school until requirements are met. Exceptions to this compliance are allowed on an individual basis for medical contraindications or religious conflicts.

1. Medical contraindications

The student must present an affidavit or a certificate signed by a physician, duly registered and licensed to practice medicine in the U.S., in which it is stated that, in the physician's opinion, the immunization required would be injurious to the student's health. Unless a lifelong condition is specified, the affidavit or certificate is valid only **one year** from the date signed by the physician, and must be renewed at that time for the exclusion to remain in effect.

2. Religious conflicts

The student must present an affidavit signed by the parent/guardian stating the immunization conflicts with the tenets and practice of a recognized church or religious denomination of which the student is an adherent or member. **This exemption does not apply in times of emergency epidemic declared by the Commissioner of Health.** This affidavit is valid for **two years**.

## **TECHNOLOGY POLICY**

### **TECHNOLOGY AND NETWORK ACCESS**

Community Christian School provides students with access to computer equipment, software, and network services. These tools support learning, collaboration, and educational research related to the curriculum. All technology and network usage must be consistent with these purposes, this policy, and all provisions of law governing the actions of the user.

The internet, however is not designed exclusively for the use of children. While its use in the school will be subject to supervision, it is possible that students may occasionally access inappropriate material either deliberately or accidentally (even though Community Christian currently filters internet access). Guidelines for internet use prohibit access to material that is inappropriate in a Christian school environment. We encourage parents to have a discussion with their children about values and responsible behavior while using the internet. Parents wishing their child not to access online resources must contact their respective principal.

### **RESPONSIBLE USE**

Students are expected to use CCS technology equipment, software, and network services for projects assigned by their classroom teachers. The following are some guidelines concerning the use of CCS technology and network services.

### **PRIVACY AND ACCESS**

- Students will respect others' right to privacy, though the church and school retains the right to examine.
- Students will not send messages using a false identity, or use the accounts of others to send messages in compliance with federal and state laws.
- Students will not access email, files, folders, or electronic data of others without permission.
- Students will not add, modify, or delete CCS computer programs, files, or folders without permission.
- Students will not use the CCS internet for financial gain, commercial activity, or political activity.
- Students will not use CCS resources to purchase products or services.
- Students will not use CCS resources for illegal purposes or any other activity prohibited by school policy.

### **RESPECT FOR PROPERTY**

- Students will respect the property of others.
- Students will use the technology hardware at CCS with respect.
- Students will not vandalize or otherwise damage CCS property.

### **COPYRIGHT ISSUES**

- Students will be aware of copyright laws and follow them.
- Students will not redistribute copyrighted programs or data without the written permission of the copyright holder.

## RESPECT FOR ACCEPTABLE USE

- Students will report to teachers or school personnel any message they receive that is inappropriate or not for educational purposes.
- Students will not engage in cyberbullying. Cyberbullying includes but is not limited to, harassing, dissing, flaming, denigrating, impersonating, outing, tricking, and cyber stalking.
- Students will not reveal personal information about themselves or others via the CCS network.
- Students will be polite and use appropriate language for the educational environment and for the educational activity in which they are currently involved. (Examples of inappropriate language include: swearing, ethnic or racial slurs-even about one's own ethnicity, or any other inflammatory or threatening language.)
- Students will not access the control panel on a school computer, or attempt to modify settings in any way.
- Students will not access Proxy server websites or tamper with other firewall settings that are designed for, intended to, or by chance scan our network, or attempt in any way to circumvent our security.
- Students will not open, send, or receive obscene pictures or messages.
- Students will not upload any personal media files to any share folder, any computer, and/or the network that are not for educational purposes.
- Students will not use CCS technology resources for any non-instructional or inappropriate purpose. (Examples include: online gaming, social media, etc.)
- Students will not knowingly infect a computer or network with malware.
- Students will not install any software, malware, or games on any school computer or system connected to school networks.
- Students will not attempt to harm equipment, materials, data, or access data they don't normally have access to.
- Students will not log into a computer for another student whose access has been suspended.
- Students will always report any known violations of the CCS Technology Policy to their teacher or an administrator. If they have identified a possible security problem the technology department should be notified immediately.
- Students will not waste school resources through improper use of the system. (Examples include: printing personal material, modifying computer settings, etc.)
- **Other examples of inappropriate technology and network behavior will be considered on a case-by-case basis by administration.**

## CONSEQUENCES OF IRRESPONSIBLE USE

**Student access to computer equipment, software and network services is a revocable privilege, not a right.** Consequences for individuals violating this policy may vary depending upon the nature and seriousness of the violation. Consequences may include disciplinary action, loss of technology access, suspension, expulsion, and/or involvement of law enforcement agencies.

**Students who are on any other site except those authorized by the teacher for that particular time period will be dealt with as follows:**

**1<sup>st</sup> offense: Warning and email sent to parents**

**2<sup>nd</sup> offense: Detention and "0" for the day's work in that class**

## PRIVACY

- Community Christian School reserves the right to monitor, inspect, copy, and review at any time and without prior notice of all usage of the electronic network and any information transmitted or received in connection with such usage (periodic audits). All such information files shall remain the property of the school.

## **WARNING**

Sites accessible via the computer/network/internet may contain material that is illegal, defamatory, inaccurate, or controversial. Each school computer with internet access has filtering software that blocks access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors, as defined by the federal Children's Internet Protection Act. The school makes every effort to limit access to objectionable material; however, controlling all such materials on the computer/network/internet is impossible, even with filtering in place. With global access to computers and people, a risk exists that students may access material that may not be of educational value in the school setting.

## **WARRANTIES/INDEMNIFICATION**

Community Christian School makes no warranties of any kind, whether expressed or implied, in connection with its provision of access to and use of its technology, computer networks, and the internet provided under this policy. Community Christian School is not responsible for any claims, losses, damages, or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his/her parent(s) or guardian(s) resulting from the use of technology and the electronic network. The user takes full responsibility for his/her use. The parent(s) or guardian(s) agree to indemnify and hold Community Christian School, its employees harmless from any and all loss, costs or damages resulting from the use authorized under this agreement, including but not limited to any fees or charges incurred through purchases of goods or services by the user over the electronic network. The user and the user's parent(s) or guardian(s) agree to cooperate with the school in the event of the school's initiating an investigation of a user's misuse of his/her access to the computer network and the internet, whether that use is on a school computer or on another computer outside the school's network.

## **GENERAL INFORMATION/POLICIES**

### **COMPLAINT PROCEDURE**

Matthew 18:15 teaches that if our brother offends us, we are to go and tell him alone. If he will not hear, then we go to him with another person. Please honor this when handling complaints.

If a student or parent is offended by a teacher, an appointment should be made with the teacher to rectify the situation. If after consulting together and praying for mutual understanding, this does not prove satisfactory, a conference with both teacher and parent will be scheduled with the administrator for final disposition of the matter.

In addition, the following guidelines will help:

1. Give the staff the benefit of the doubt; believe the best instead of assuming the worst.
2. Realize that a child will report from an emotionally biased viewpoint and all facts may not be presented.
3. Realize that the school has reasons for procedures.
4. Support the school and call us instead of other parents.

Praise, worship, special music, special speakers, Christian films, the teaching of God's Word, and prayer are all part of chapel. Chapel services are a vital aspect of Bible curriculum. Parents are welcome to attend chapel at any time.

## **SEXUAL ETHICS POLICY**

Community Christian School, as a ministry of Community Church, affirms the biblical understanding of sexuality as a gift from god (Genesis 2:24). In concert with biblical teaching, CCS supports the principle and practice of purity in singleness and fidelity in marriage, which is the union of one man and one woman. In addition, CCS recognizes that the gift of gender is part of the goodness of God's creation, and is predetermined by God and revealed at conception. Lifestyles or practices inconsistent with these biblical teachings are also inconsistent with the mission of CCS. CCS affirms the biblical teaching that all sexual conduct outside the sanctity of marriage, including both hetero and homosexuality, is a sin, a turning away from God's ideal as outlined in Scripture.

## **SPIRITUAL DEVELOPMENT**

Community Christian School affords all students through eighth grade the opportunity to accept Jesus Christ as Savior and Lord in their lives. Students are taught the Word of God and encouraged to apply it to their daily lives.

Students in grades 9-12 are expected to have a personal relationship with Jesus Christ and to desire to walk daily with Him. They are expected to be actively involved in a local church. An annual verification is required by their pastor.

## **SUPPLIES**

Students are required to have supplies for each class. They are responsible for providing their own school supplies such as pencils, paper, pens, etc. A supply list will be provided in the school office and on RenWeb.

## **REPORTING ON CHILD ABUSE**

We live in a society that is highly regulated. One of the unfortunate issues in our society is child abuse. The State of Texas has chosen to adopt laws that are believed to be in the best interest of children. Community Christian School will obey these laws.

Chapter 261 of the Texas Family Code requires any person having cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect by any person must immediately make a report within 48 hours. **The person who fails to make a report commits a Class B misdemeanor.**

State agencies, after receiving a report of suspected child abuse or neglect, may come to the school to interview the child and the teacher(s). Section 261.303 of the Texas Family code provides that a person may not interfere with an investigation of a report of child abuse or neglect conducted by the Department of Protective and Regulatory Services or any designated agency and provides for court orders to be allowed on good cause if admission cannot be obtained. The child abuse hotline is (800) 252-5400.

## **TELEPHONE USE (School Office Phone)**

Students are not allowed to use the school office telephone except in emergencies.

Parents are discouraged from calling their children except for emergencies. In such cases, the secretary will take the message to the student or the student to the phone. Incidental messages may be left with the secretary to be delivered to the student at the end of the school day. **Students are not allowed to use cell phones during school hours.**

## **VOLUNTEERS**

Our school could not function without our volunteers. Parents are encouraged to volunteer a part of their time on a regular basis to assist teachers, office staff, library staff, computer lab, fund-raisers, etc. Please call the school office if you are available and would like to know how you can help.

Any person working with children must have a criminal background check.

## **ASBESTOS COMPLIANCE**

In accordance with the United States Environmental Protection Agency's Asbestos Hazard Emergency Response ACT (AHERA) which became effective December 4, 1987, Asbestos Management Plan has been prepared for the Martin Luther King facility and 16<sup>th</sup> Street Gym.

The MLK facility was constructed with strict requirements that no asbestos containing materials be used. An exclusion of asbestos letter prepared by the architect is included with the management plan. The 16<sup>th</sup> street gym was surveyed and tested and contained no asbestos.
