STUDENT ATHLETE CONTRACT

As a member of Community Christian School Athletic Program, I understand that you want to enjoy the season, participate as much as possible, and improve your athletic abilities in this sport...and win games or contests. I am committed to making those things happen, and to reach our team goals for the season. ***I will strive to be an agent of positive change.***

Your participation is dependent upon your willingness to work with us toward the goals below, and to live within the boundaries established in our CCS Family Handbook. The things below describe the areas of personal development to which the coaching staff and the School is asking you to make a commitment for the upcoming season.

Community Christian School Coaching Staff

Athlete's Commitment

I understand that participating in high school athletics gives me a special opportunity to develop not only my physical conditioning and athletic skill, but also character traits I need for success in life. I therefore commit to strive for the following during the upcoming season:

Christ - *Christ calls us to a relationship with Him which will positively impact every other area of our life.*

- To realize that God has a special and unique plan for my life that begins with my acceptance of Christ as my Savior and Lord.
- To exemplify in one's life the Christian ideals for which CCS stands.
- To grow to be more like Christ every day.
- To practice the Christ-like character traits of obedience, honesty, dependability, humility and compassion.
- To put the good of the team ahead of my personal gain.
- To be unselfish and to treat others as I want to be treated.
- To accept responsibility to set a good example for teammates, younger athletes, fans and school community.

Curriculum – *The understanding that I am a student first and an athlete second and that my success in the classroom will keep me eligible for success on the field of competition.*

- To be respectful to teachers and other students in the classroom.
- To follow all classroom rules, policies and procedures.
- To complete with quality all work as assigned by the teacher and to turn it in on time.
- To adequately prepare for all quizzes and tests.
- To seek help from the teacher as needed and to faithfully attend Enrichment in those subjects which are more of a challenge than others.
- To be a Christ-like role model for other students in the classroom as well as on the field of competition.
- To realize that less than 2% of high school athletes go on to play team sports at the college level and therefore my study habits, willingness to be teachable and grasp of classroom subjects will probably determine my success in life more than what I accomplish in athletics.

Character – *My beliefs, attitudes and skills that support moral behavior, good choices and represent the positive virtues of my relationship to Christ and Community Christian School.*

- To be dependable in fulfilling obligations and commitments.
- To be a positive role model.
- To accept responsibility for consequences of actions and not blame others.
- To persevere, control anger and accept success and failure graciously.
- To be supportive of all programs at Community Christian School.
- To practice good manners on and off the field.
- To refrain from trash talk and other put-downs of opponents and teammates
