Vision Statement

The vision of Community Christian School is to assist parents in providing a Christ-centered education for their children, including a Biblical worldview and academic excellence in order to prepare them for a life of service.

Mission Statement

The mission of Community Christian School is to equip students to walk in truth, embrace excellence, and impact the world for Christ.

Portrait of a Graduate

Graduates of CCS are lifelong learners and critical thinkers who are sought after for their wisdom and Christian character. Their identity is strongly rooted in Christ, and they cultivate a culture of honor wherever God has called them. They are world changers who love God, love others, and make disciples.

Core Values

The core values of Community Christian School are as follows:

- The Bible is taught as the inerrant Word of God and has the power to change lives.
- The leadership, faculty, and staff of Community Christian School must be born again Christians.
- Every aspect of education at Community Christian School is based on the truth as revealed in God's Word.
- Community Christian School strives to provide learning experiences that will engage students to their full potential in Christ.
- The organizational principles and practices of Community Christian School are Biblical.
- Community Christian School partners with parents to establish life goals based on sound Biblical principles and lead their children toward a disciplined life in Christ.

Philosophy Statement

The philosophy of education at Community Christian School is based on the truth as revealed in God's Word (John 17:7). The world is viewed as created by God (Gen. 1:1) and sustained by Him for the purpose of glorifying Him. Jesus Christ, the Son of God, is the "radiance of God's glory and the exact representation of His being" (John 14:9). Through Him the world was created and is sustained (Col. 1:17). Christ is the mediator between the perfect God and sinful man (II Tim. 2:5). The Holy Spirit regenerates, indwells, baptizes, seals, teaches, and guides the believer into all truth (Eph. 1:13; John 16:8-13).

Though created in God's image (Gen. 1:26-27), man has sinned and therefore has fallen completely away from God (Rom. 3:23). Because of this, man cannot comprehend or discern truth on his own, nor give glory to God in his natural state (1 Cor. 2:14). It is only through a personal trust in the saving work of Jesus Christ that man is given a new nature in which to glorify God and perceive truth. It is through this new nature that the Spirit of God works (II Cor. 5:17).

The educational model incorporates a three-fold approach in providing a context in which the Spirit of God works in the lives of believers. First, the knowledge about God as revealed in Scripture is the foundation for teaching our students to recognize a distinguished truth (John 1:1). Acknowledgement of God's principles undergirds every discipline taught (Isa. 28:10). Second, students are encouraged to integrate these principles in their minds and behavior (Pro. 23:7; Eph. 5:8). Third, as students experience transformation in their lives, their nature becomes more like that of Jesus Christ, and their knowledge should result in an internal motivation to serve and thus glorify God (Gal. 2:20).

The educational process is seen as a tool used by the Holy Spirit to bring the student into a right relationship with God, produce God's wisdom in him, and equip him to fulfill God's purpose for his life (Eph. 1:17-18). As the student participates in this process, he should begin to expand his understanding of his own abilities, skills, and character qualities. The student should see himself as an integral and important part of his family, school, church, and society. The establishing of life goals and careers should be an outgrowth of sound Bible training (I Cor. 12:12-27). This process should involve parents and teachers who are demonstrations of the power of Christ to transform lives (I Cor. 11:1; Phil. 3:17).

The authority for this educational process comes from the first commandment which instructs man to love the Lord with his total being, and from God's instruction for parents to teach their children His ways (Deut. 6:4-9; Luke 10:27). By delegated parental authority, Community Christian School is a partner in training and educating children (Ps. 78:4-7).

Statement of Faith

1. **We believe** the Bible to be the inspired, only infallible, authoritative, inerrant Word of God (2 Timothy 3:16; 2 Peter 1:21).
2. **We believe** there is one God, eternally existent in three persons, the Father, the Son and the Holy Spirit (Genesis 1:1; Matthew 28:19; John 10:30).
3. **We believe** in the deity of Christ (John 10:33); His virgin birth (Isaiah 7:14 Matthew 1:23; Luke 1:35); His sinless life (Hebrews 4:15; 7:26); His miracles (John 2:11); His vicarious and atoning death (I Corinthians 15:3; Ephesians 1:7; Hebrews 2:9); His resurrection (John 11:25; I Corinthians 15:4); His ascension to the right hand of the Father (Mark 16:19); His personal return in power and glory (Acts 1:11; Revelation 19:11).
4. **We believe** in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith are we saved (John 3:16-21, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
5. **We believe** in the resurrection of both the saved and the lost; those that are saved unto the resurrection of life, and those that are lost unto the resurrection of damnation (John 5:28-29).
6. **We believe** in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9; I Corinthians 12:12-12; Galatians 3:26-28).
7. **We believe** in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; I Corinthians 3:16; 16:19-20; Ephesians 4:30; 5:18).

History of Community Christian School

Community Christian School, organized in 1977 as a ministry of Community Church, began as one large classroom with thirty-five students, a teacher and an aide. In 1980, the school was expanded to include a preschool and daycare. In response to the need for Christian education at the secondary level, the board of Community Church decided to include a high school. In May of 1989, the first senior class of six, graduated from Community Christian School. In the summer of 1990, the school was accredited by the Association of Christian Schools International for Kindergarten through eighth grades. In 1991, the high school was added to the accreditation.

Originally, the school was located in a church building on Sixteenth Street in Orange, Texas. As the school continued to grow, the church leased an empty building from the First Church of the Nazarene which housed secondary classes. During the following four years, the school operated as a split campus. In the spring of 1994, the secondary classes were moved to the new church facility on Martin Luther King Drive, Orange, Texas. The preschool and elementary classes were moved during the 1994-1995 school year.

In August 2017, starting our fortieth year, our campus was flooded by Hurricane Harvey. West Orange Elementary housed our preschool students and staff, and Welch Furniture allowed us to use an empty store to have school for our kindergarten-twelfth grade students. We were able to move our preschool students and staff back to the campus in Fall 2017. Kindergarten through twelfth grades moved back to campus in March 2018. With the help from various sources, we have remodeled our campus. Despite Hurricane Harvey, and our various past locations, we have continued to provide *A Passion for Christ, and a Passion for Education*.

Accreditation

Community Christian School has received accreditation for grades K5 through twelfth from the Association of Christian Schools International. This accreditation is recognized by the State of Texas and affords Community Christian School all the rights and privileges of schools accredited by the state of Texas. It also assures parents of the quality education their children receive at Community Christian School.

ADMISSIONS

Community Christian School accepts students upon successful completion of entrance tests and evidence that parents share in the school's goals.

Because a high standard of achievement is expected of each student, a careful analysis of each applicant is made. Each prospective student's parent/parents are interviewed. All new students are tested and interviewed, giving the administration the prerogative to select and place the student into the class best suited for his needs. New students are accepted on a nine-week probationary basis. Acceptance and continuation of a student in the school is based on the student's academic achievement, emotional stability, social behavior, and conduct.

CCS does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic or other school-administered programs.

WITHDRAWAL FROM SCHOOL

Parents desiring to withdraw their children from school should send a written notice to the school office two weeks prior to withdrawal. No student's records will be released to other schools until all outstanding tuition, fees, and library books returned/fees paid, all locks returned, and cafeteria charges have been paid. **If student attends one day of any month, the parent is responsible for tuition payment for that month.**

FINANCES

Tuition is used to pay for salaries, suppliers, and services for the school year. **It is important that each student's fees be paid on time to enable the school to meet its financial obligations.**

This list does not include all fees and obligations. Students will be notified of other expenses as they occur.

ENROLLMENT DEPOSIT

Enrollment deposit is **non-refundable** and **non-transferable**. The enrollment deposit is due before a student is officially enrolled in school.

TUITION

Tuition is an annual fee payable as outlined below. Tuition is to be paid in full unless the school specifically permits, on an individual basis, for it to be excused. The first tuition installment is due on the earliest of the following applicable dates:

1. One full payment on or before June 1, 2019 for the yearly tuition.
2. Two payments of one-half the yearly tuition, on or before June 1, 2019, or the date the student begins school; and the second payment on or before December 1, 2019.
3. Twelve equal monthly installments for the yearly tuition beginning June 1, 2019 and concluding with the final installment on May 1, 2020 if enrolled on or before June 1, 2019. If enrolling after June 1, 2019 the yearly tuition will be divided into equal monthly installments beginning the month of enrollment and ending May 1, 2020.
4. Students enrolling during the school year must pay a registration fee and the payment for the month in which the student begins classes. Payments are then due the first of each month concluding with the final payment on May 1, 2020. **The registration fee is non-refundable and non-transferable.**

All payments are due on 1st of the month in the school business office and are considered **late after the 20th**. The school is not responsible for payments not given directly to the business office. All fees and obligations are to be paid on a timely basis. All accounts are **delinquent after the 20th day of the month**. A \$10 late fee will be assessed to **each** family's account which exceeds \$25 (Example: tuition, daycare, lunch charges, library fees, etc.). If a bill is past due for more than 30 days, the student will not be allowed to attend class and may result in termination of enrollment. At the end of every 9 week period, if student's account is delinquent access to report card and ParentsWeb will be restricted until the account is up to date. Report cards and permanent records will be held for delinquent accounts. **All fees and obligations must be paid in full before student will receive a final report card or before cumulative records will be released.**

Should a check be returned for any reason to the school from the bank, the tuition account will be assessed a service charge. Should two checks be returned for the reason of "non-sufficient funds," all further payments are to be made by cash or money order.

WITHDRAWAL

Parents must notify the school office two (2) weeks prior to withdrawal. This helps both parents and the school. **If a student attends one day of any month, the parent is responsible for tuition payment for that month.** (Tuition is a yearly amount that may be paid in monthly installments.)

FEES

Certain additional fees may be required for students. These fees include, but are not limited to computer fee, field trip fee, graduation fee, science fee, activities fee, music and drama fee, athletic fee, library fee, and testing fee.

ENRICHMENT & EXTENSION (E&E)

The purpose of enrichment and extension activities is to further learning and to focus on your student's particular needs. 3rd – 6th grade will have a time set aside for Enrichment & Extension each day. It will be a time dedicated to homework and small group tutoring.

HOMEWORK

(No homework on Wednesdays)

It is our belief that the student's educational experience may be enhanced by challenges which are extensions of the educational experiences in the school. The degree, intensity, and scope of homework activities may increase with each year in school. To develop a common understanding of our regulations on homework, the following guidelines are offered:

General Objectives of Homework

1. To **ENRICH** school experiences through home-related activities
2. To **STRENGTHEN** the basic skills by further practice and application
3. To **PROVIDE** students who have been absent an opportunity to complete assignments
4. To **STIMULATE** a voluntary effort among students to show initiative and a sense of responsibility
5. To **HELP** students strengthen work and study habits

All students are expected to do assigned homework. Parents can help their children most by providing a comfortable place where good study conditions prevail.

Teachers will ask parents to cooperate by checking assigned work to see that it has been properly completed daily. **Approximate** lengths of time to be spent on homework at each level are as follows:

Grade K5	15 min.
Grades 1-2	15-30 min.

Grades 3-4 30-45 min.
Grades 5-6 30-45 min.

This is a guide. The length of homework time is dependent on the amount of “time on task” by the individual student.

Parents who come to school to get homework for a student who is ill must call or email the office before 10:00 a.m. to give teachers time to prepare the needed make-up work. Homework assignments may be picked up after school (see also Make-up Work). Homework can also be found on RenWeb.

*****Students with a 0 in any subject, with missing work, and/or incomplete work at the end of each nine weeks will be required to attend Remediation & Review Day.**

PROMOTION AND RETENTION

To be promoted from one grade level to the next, a student must attain for the year an overall average of 70 or above which is derived by averaging the final numerical grade for language arts, mathematics, social studies, and science. In addition, a student must attain an average of 70 or above in language arts and in mathematics.

TESTING

Students will be given an annual achievement test.

TESTING CORRECTIONS

Any student who earns a failing test grade may be retested. No grade higher than a 70 may be earned. Retests are scheduled at the teacher’s discretion.

TEXTBOOKS

Students will be issued consumable and non-consumable texts. **They become the responsibility of the student and lost books must be replaced by the student. The student’s account will be charged for the cost of the textbook lost.** The school will not participate in the sale of used textbooks.

In addition to regular classroom tests, teachers will administer diagnostic tests for planning purposes.

ATTENDANCE

Regular attendance and punctuality are required of every student. Students who have good attendance generally achieve higher grades, enjoy school more, and are much more employable after leaving high school. We expect all students to attend school regularly and be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility.

GENERAL ATTENDANCE POLICIES

1. If it is necessary for the student to leave school before dismissal, clearance with the school office must be obtained.
 - a. The parent must sign the student out of school.
 - b. A note excusing the student must be provided by the parent.
2. Please try to arrange for doctor, dental, and other appointments to be scheduled after school.
3. Any extenuating circumstances regarding absences should be presented to the administrator prior to the absence.
4. The authority for determining the legitimacy of an absence rests with the school administration.
5. Attendance is taken at 7:55 a.m. daily.
 - a. Students who come to school later than 10:00 a.m. or leave before 1:00 p.m. will be marked absent one-half day.

6. Excessive absences may be cause for dismissal, or prevent the student from being accepted for future enrollment in Community Christian School.

REPORTING ABSENCES

1. A record of absences is kept in the school office and by each teacher.
2. Upon returning to school, the student must present a note to the office from his/her parents explaining the reason for the absence.
3. Failure to bring a note from home within three days will result in an unexcused absence, regardless of the reason. This is the responsibility of the student and parent not the teacher or the office.
4. Administration determines the validity of the excuse for the absence.

*****If a student is absent four or more consecutive days, a doctor's excuse is necessary for the student to re-enter school.**

EXCUSED ABSENCES

1. Personal illness
2. Death in the family
3. Emergencies
4. Pre-arranged absences – Trips during the school year are highly discouraged.
 - a. If a family feels that a trip is necessary, the parent is to give notice to the administrator **one month PRIOR** to the trip.
 - b. Absences will be unexcused if not arranged prior to leaving for the trip.
5. When scheduling recurring medical/dental appointments, please attempt to stagger these appointments.
 - a. Students must turn in a doctor's/dentist's note when returning to school.

UNEXCUSED ABSENCES

1. Any absence not deemed as valid by the administration will be considered unexcused.
2. Any student that is truant will receive disciplinary action.
3. Any student who does not turn in a note to the office from his/her parents explaining the reason for the absence.
4. Failure to bring a note from home within three days will result in an unexcused absence, regardless of the reason.
 - a. This is the responsibility of the student and parent not the teacher or the office.
5. Any student who is not a member of a team who attends a game during school hours.
6. Students will not be allowed to make up work, including tests, missed due to an unexcused absence. A zero will be given for all work missed.

If a student has four or more absences, even if excused, in a nine week period the student will be required to attend Remediation & Review Day.

If a student has ANY unexcused absences the student will be required to attend Remediation & Review Day.

HOMEBOUND

If absences are considered excessive by Administration and are a result of a diagnosed medical condition, the Administration may place the student in a homebound status until the issues are resolved.

MAKE-UP WORK

When a student has been absent, **it is the responsibility of the student/parents** to secure books and assignments from the school office in order to be ready to participate on the day of return to school. **Parents must call the office by 10:00 a.m. to give the teachers time to prepare the assignments.** Parents can also email their child's teacher when they know the night before they will be out.

Students are given two days for each day of excused absence to make-up all tests and work missed. **No make-up work is allowed for unexcused absences.**

TARDIES

Promptness to school is of utmost importance. Tardiness disrupts the normal teaching pattern of the classroom and develops unproductive patterns and habits in the student. Parents **must** see that their children arrive on time. A record of all tardies will be kept in the school office. Administration determines the validity of an excuse for a tardy.

Students enter the classroom at 7:40 a.m. to begin morning preparations. Students are tardy if they are not in their seats by 7:55 a.m. Students are allowed 3 tardies per 9 weeks. On the 4th tardy it is changed to an absence (refer to absence policy and R&R days).

Admittance to school when **ARRIVING TO SCHOOL** late

1. The student **must** obtain an **admission slip** from the **school office**.
2. The student **must** have a note from parent/guardian **stating the reason** why the student is late.
 - a. **If a note is not received the tardy will automatically be marked unexcused.**
3. The student must then take the **admission slip** to the classroom teacher for signature.

DRESS CODE

PHILOSOPHY

Our commitment at Community Christian School is to do all things in a way that is pleasing to the Lord and that will bring honor and glory to Him. Accordingly, what we wear should direct subtle attention to the inner person, not the physical body. The essence of our dress code is expressed in I Peter 3:3-4, which states our attractiveness should not be based on what we wear, but on our hidden inner self, “the unfailing beauty of a gentle and quiet spirit.”

The community Christian School dress code has been established to provide minimum standards of dress and appearance which will assist parents and students in choosing appropriate clothing to be worn to school and **school functions**. We realize that clothing styles are cultural and cultural standards are not always right or wrong. However, student attire needs to be *safe, conservative, modest, neat* and *appropriate*; also, it should not be a distraction, express an ungodly lifestyle, nor tempt others to stumble.

POLICY

Students need to adhere to the following dress code standards. Unless otherwise designed, these standards apply **AT ALL TIMES** when the student is on the school campus or at a school sponsored event/sports event at any location at any time. Since the following standards/guidelines are not intended to cover every possibility, **the administration will make the final decision regarding dress code compliance or any questionable clothing or style that is not specifically addressed**. We wish to assure both students and parents that while standards of dress will be enforced, students will be dealt with in Christian love and fairness, with concern for the individual involved.

CONDUCT/DISCIPLINE

PHILOSOPHY

Students at Community Christian School are expected to conduct themselves on and off campus according to high standards of Christian conduct. This includes, but is not limited to, Christian standards of love, morality, and honesty. Obvious immoral behavior such as profanity, disrespect (either for those in authority or other students), cheating, stealing, fighting, etc. are grounds for dismissal from school. Students found behaving in such a manner will be brought into a parent-administrative conference designed for counsel and prayer, along with the setting of new goals and direction. Should improper behavior continue, students will be dismissed from school.

Use of harmful or intoxicating substances, sexual immorality or occult practices will result in dismissal from the school.

DISCIPLINE

True discipline results from self-discipline rather than external regulation or compulsion. Community Christian School believes that discipline is something done **for** a child, not just **to** a child. Our policy is based upon scriptural principles and strives to be both firm and fair. It is expected that good behavior will be the norm and discipline problems the exception.

A signed statement by the parents that they have read and **support** the Discipline Policy must be received as a prerequisite to final acceptance and enrollment of each child. If a parent does not agree with the discipline policy, this must be discussed with the administrator **before** final enrollment.

Good discipline means that the classroom is free from confusion, disorder, and anti-social behavior. It means that each child and the group as a whole operates freely within a structured framework which they understand, accept, and incorporate into their behavior without constant reminder or punishment. Discipline is more than outward pressure. It involves understanding, and acceptance, and attitude.

Community Christian School seeks to cooperate with parents to develop the following characteristics in their children:

- Cheerful obedience to all in authority
- Cleanliness in person and property
- Clean and neatly dressed
- Putting trash in trash cans, picking up paper on the floor, in desks, and on the grounds
- Cooperation with others in and out of the classroom
- Courtesy and respect for others: being quiet in class, raising hands to speak, not interrupting others, walking-not running in the building, and eating with proper manners
- Morally good conduct in respect to recreation, social relationships and language
- Promptness in attendance and completion of assignments
- Respect for the property of Community Christian School, and other people
- Responsibility in doing assigned or expected tasks
- Truthfulness and honesty in work and life

Disciplinary Action

- We never assume students know proper behavior until we have explained/demonstrated it to them.
- When a student's behavior is unsatisfactory, the school will employ the appropriate action for correction. The following steps may be used to help the student achieve the appropriate behavior and attitudes:
- Use of praise, positive rewards when earned
- Verbal warning to student regarding actions
- Loss of designated privileges
- Correspondence with parents
- Parent-teacher or parent-teacher-principal conference
- **Detention** – after school (3rd - 6th with parent notification)
- **In-house Suspension** - Students in grades 3rd - 6th who have continued discipline problems will be isolated; from regular classes and supervised while doing assigned work. There is an additional charge for in-house suspension.
- **Suspension**
- **Expulsion**

SUSPENSION/EXPULSION

A policy of 1-3 days suspension will be followed. Excessive suspensions may result in a recommendation of dismissal from the school. Any student guilty of the following while on school property or during school field trips or school activities may expect immediate suspension:

- Fighting
- Possession or use of fireworks on school premises or school activity

- Possession or use of tobacco in any form
- Possession or use, or being under the influence of drugs or alcohol

There is an additional charge for in-house suspension.

(This is to cover the cost of hiring someone to monitor the suspension room.)

The student must attend school; however, the student is isolated and supervised while doing assigned work.

The following conditions apply to In-house Suspension:

- In-house suspension assignments must be completed before returning to class.
- In-house suspension from class is treated as an unexcused absence but will be changed from unexcused to excused, **upon completion of all assigned work.**
- **No grade higher than a 70 may be earned on work assigned during the suspension.**
- **Only 2 in-house suspensions are allowed each year. All subsequent suspensions will be off campus suspensions.**

Off campus suspension:

- All work must be picked up in the school office and suspension assignments must be turned in upon returning to school.
- All assignments must be complete and will be checked by an administrator before student is readmitted to class.
- The absence due to off-campus suspension will be counted as **unexcused.**

CCS will not tolerate harm or threat to another individual, whether verbal, physical, or written.

ANTI-BULLYING POLICY

Policy Statement

From time to time in a community such as a school, conflict and offense can occur. Community Christian School will not tolerate any mean-spirited, unlawful or disruptive behavior, including any form of bullying, cyber-bullying, or retaliation in our school buildings, on school grounds, in school-related activities, or that occurs outside of school and creates a hostile school environment for the targeted student. We will investigate promptly all reports and complaints of bullying, cyber-bullying, and retaliation, and take prompt action to restore a safe learning environment for students who are bullied and to prevent further bullying or harassment by students who are identified as perpetrators of bullying. We seek to implement a clear framework for dealing with bullying incidents in order to protect our students and help the bully to learn how to relate in a way that is in line with biblical standards.

John 15:12 - *“My command is this: Love each other as I have loved you.”*

CCS recognizes that not all inappropriate behaviors should be considered bullying or willful violation of this policy. Behaviors will be assessed by the teacher and/or administrator and addressed according to the procedures below.

2. Investigations into bullying allegations must be undertaken in a timely manner after the reporting of a bullying incident, and should be carried out in such a way as to minimize the risk of escalation.
3. All parties will be spoken to: victim, bully and sufficient bystanders to establish the facts of the situation and to hold them accountable for their actions/inaction. Generally, all parties will be asked to give a verified account of what has happened with a view to understanding the whole picture.
4. Parents/caregivers of student accused of bullying and the victim of the bullying will be informed.
5. All incidences are to be documented and written reports will be kept on the behavior.
6. Parents/caregivers of victim and bully will be informed throughout the process and may be invited to be present in discussions.
7. Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily. The school will take serious disciplinary action in cases of retaliation.
8. Discipline will follow.

Responsibilities

It is the responsibility of all students, parents, faculty and staff members to report **all occurrences** of bullying behaviors as outlined in this policy. Parents and students who have knowledge of such behaviors are required to report this information and may do so without fear of consequences. Additionally, students who feel that they have been or are the victims of bullying behaviors should promptly notify a school faculty member, Principal/Head of Schools. Those parents or students who report such behaviors will not be the target of retaliation or reprisal in any way. Any student who withholds information regarding bullying behavior or provides inaccurate or false information will be subject to disciplinary action including possible removal from school.

In addition to reporting bullying behavior, student must ask the offending student to stop!

Students being bullied must promptly report it to school staff, faculty, administration, and their parents.

The filing of a false or fabricated complaint of bullying, cyber-bullying, or retaliation is strictly prohibited and shall result in disciplinary action.

Students must be willing to resolve bullying situations, employing forgiveness and some changes in behavior.

Students will be provided practical, safe, private and age-appropriate ways to report and discuss an incident of bullying with a teacher or school Principal/Head of School.

Reports may be made anonymously, but no disciplinary action will be taken against an alleged aggressor solely on the basis of an anonymous report unless the school's investigation confirms the bullying behavior.

Parents, Guardians, Others

Community Christian School expects parents, guardians, caregivers and others who witness or become aware of an instance of bullying or retaliation involving a student to promptly report it to their child's teacher or the school Principal/Head of School by email.

The filing of a false or fabricated complaint of bullying, cyber-bullying, or retaliation is strictly prohibited and shall result in disciplinary action.

Parents, be mindful that the whole story may be quite complex and trust the school to resolve bullying matters.

Staff

Non-teaching staff should take appropriate action in reconciling the problem and then refer all allegations of bullying to a teacher of the school and the school Principal/Head of School.

Faculty

A faculty/staff member will promptly report to the school Principal/Head of School any instances of bullying or retaliation witnessed by the faculty/staff member or that is reported to the faculty/staff member by a student, parent, or other individual. The requirement to notify the school Principal/Head of School shall not, however, limit the authority of the faculty/staff member to respond to behavioral or disciplinary incidents consistent with school policies and procedures for behavior management and discipline.

Teaching staff are to refer to their Principal/Head of School with all allegations/incidences of bullying. This will be done in a timely manner.

CCS recognizes that not all inappropriate behaviors should be considered bullying or willful violation of this policy.

Responses to Bullying or Bullying Behavior

CCS recognizes that not all inappropriate behaviors should be considered bullying or willful violation of this policy. However, all bullying behaviors will be addressed according to the procedures outlined in this policy. It is further recognized that the first and preferred method of resolution will occur at the student/teacher/parent level.

It is absolutely essential and mandatory that any student who believes he or she has or is being bullied must immediately report such incident, and any further incidents thereafter, as provided in this policy.

Any student witnessing or having knowledge of bullying actions is required to promptly report it as provided in this policy.

If the school Principal/Head of School determines that disciplinary action is warranted, the disciplinary sanction will be determined on the basis of facts, including the nature of the conduct, the age of the student(s) involved, the severity and period of time during which such conduct has occurred, whether the student has previously engaged in such conduct, and the need to balance accountability with the teaching of appropriate behavior.

Students found to have engaged in bullying, cyber-bullying, or retaliation may be subject to a range of disciplinary consequences including, but not limited to: reprimand, detention, suspension, expulsion or other sanctions as determined by the school Principal/Head of School. Any such disciplinary sanctions shall be imposed in accordance with biblical principles, equity and school policies.

Note: *The administration of CCS reserves the right to treat any single act as severe enough to warrant dismissal/expulsion from school.*

Consequences will only take effect after an incident has been thoroughly investigated and can be corroborated by the students involved, multiple sources or eye witnesses.

PARENT TEACHER FELLOWSHIP (P.T.F.)

P.T.F. is a group composed of: parents, teachers, and administrators who work corporately to enrich educational opportunities for students. All parents are encouraged to participate.

STUDENT LEADERSHIP INSTITUTE (SLi)

Student Leadership Institute is a deliberate plan for students to be trained in the biblical model and definition of leadership with a core emphasis on three operating principles—service, evangelism/engaging the culture, and church involvement. SLi focuses on key characteristics of Jesus' leadership aid designed to impact both the individual and his or her sphere of influence. In essence, CCS becomes a laboratory for hands-on training for leadership and discipleship as students are trained to become more like Christ. Training takes place in the form of Marketplace issues, Cultural issues, Campus Connection Teams, and Elective courses. Students are engaged in a year-long, multifaceted, Biblically-based program assisting them in the development of their leadership philosophy and skills.

PREVENTION AND CONTROL OF COMMUNICABLE DISEASES

Immunizations- All students must have proof on file of compliance to the immunization requirements of the state of Texas. Failure to comply will result in suspension from school until requirements are met. Exceptions to this compliance are allowed on an individual basis for medical contraindications or reasons of conscience. An original affidavit (not a copy) must be submitted to the school.

Medical Contraindications

To claim an exclusion for medical reasons, the child or student must present an exemption statement to the school or child-care facility, dated and signed by a physician (M.D. or D.O.), properly licensed and in good standing in any state in the United States who has examined the child or student. The statement must state that, in the physician's opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the child or student or any member of the child's or student's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only **one year** from the date signed by the physician.

Reasons of Conscience

To claim an exclusion for reasons of conscience, including a religious belief, the child's parent, legal guardian, or a student 18 years of age or older must present to the school or child-care facility a completed, signed and notarized affidavit on a form provided by the department stating that the child's parent, legal guardian, or the student declines vaccinations for reasons of conscience, including because of the person's religious beliefs. The form must be submitted to the school or child-care facility within 90 days from the date it is notarized. The affidavit will be valid for a **two-year** period from the date of notarization. A child or student who has not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of the department.

Provisional Enrollment – The law requires that students be fully immunized against specific diseases. However, a student may be provisionally admitted if he/she has received at least one dose of each specified age-appropriate vaccine required by the DSHS rules. To remain enrolled, students must complete the required subsequent doses of each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose(s) is (are) administered.

Exclusion from school – A student shall be excluded from school when communicable disease is suspected. This will be at the discretion of the school administration.

RE-ADMISSION

1. A student can return to school after being free of fever (temperature less than 100* F), without fever reducing medication, for 24 hours & after being free of vomit and diarrhea for 24 hours.
2. In the case of head lice – after treatment: the student must be examined by a designated person of the school.
3. With a physician's statement that the student is no longer communicable (necessary in cases of mumps, measles, chicken pox etc.)
4. After a period of time corresponding to the communicability of the disease as established by the Commissioner of Health; a student must be checked in by the designated person of the school.

REFERRAL AND FOLLOW-UP

Parents will be notified following health screening of any identified problems which may interfere with a student's learning.

PROVISION FOR EMERGENCY AND FIRST AID CARE

1. Students who are ill must be kept from school. Parents will be asked to pick up students who become ill at school. If a student becomes ill at school, parental permission must be obtained before the student can leave. Students are not allowed to contact parent(s)/guardian(s) on their own personal device or in the school office to be picked up. Students must go to the nurse, and the nurse will decide whether parent(s)/guardian(s) are to be contacted (by the nurse).
2. The school will provide simple first aid for minor injuries. Students with minor injuries will be given first aid by school personnel and return to class after being observed 5-15 minutes.
3. A student with serious injuries will be given first aid by school personnel and parents will be notified. If warranted, the student will be taken to the hospital by school vehicle or ambulance. If parents are not available at time of transfer, designated school personnel will accompany and remain with the student until the parent/guardian assumes responsibility. The school representative will take the emergency information.

1. The school has received a written request to administer the medication signed by the parent/legal guardian, or other person having legal control of the student.
2. When administering prescription medication, the medication is in the original container and to have an affixed prescription label with the student's name, name of the drug, and the directions concerning dosage. Instruction about the duration of the medication period should be included.

EMERGENCY DRILLS AND PROCEDURES

Procedures for the following types of emergencies include:

1. Severe weather threatening the facility will initiate a move of all children to central hallways and interior room. It is recommended that parents not remove children from the building until the weather has subsided.
2. Fire alarms requires that all occupants of the building leave the building to a predetermined location outside and away from the building. Teachers will have a roster of all their students during the evacuation to determine that the building is completely cleared.
3. Shelter in Place by direction of local authorities will require that no one enter or leave the building until the local authority gives an all clear. If the emergency is for a chemical or hazardous material, then all occupants will be moved to the main sanctuary and the room sealed shut. For other reasons such as potential criminal activity in the area the exterior doors will be locked and admission will be allowed based on the local authority's directions.
4. Removal from the location is very unlikely. In the event that we must vacate the facility and grounds a Parent Alert will be sent out to parents immediately. Essential records and classroom records will be relocated to that location.
5. Stranger in the Building Alert will initiate a planned response by the staff.

EMERGENCY COMMUNICATIONS

Should it become necessary to dismiss school, parents will be notified as soon as possible by announcements at school, Parent Alert, and announcements on the local radio and TV stations. There will be no announcement if the school is open as usual. In case of evacuation, call the school office at 883-4531 for instructions.

R&R Days

Rest & Relaxation Day/Remediation & Review Day (R&R Day) will fall at the end of each nine weeks on a date set by administration. At the end of each nine weeks administration will review attendance, behavior, and academics of every student. Parents will be notified if their student must come to Remediation & Review.

*****Students that are required to attend Remediation & Review Day that do not attend or are picked up early will receive three (3) detentions and will be charged \$10 for each detention.*****

TECHNOLOGY POLICY

TECHNOLOGY AND NETWORK ACCESS

Community Christian School provides students with access to computer equipment, software, and network services. These tools support learning, collaboration, and educational research related to the curriculum. All technology and network usage must be consistent with these purposes, this policy, and all provisions of law governing the actions of the user.

The internet, however is not designed exclusively for the use of children. While its use in the school will be subject to supervision, it is possible that students may occasionally access inappropriate material either deliberately or accidentally (even though Community Christian currently filters internet access). Guidelines for internet use prohibit access to material that is inappropriate in a Christian school environment. We encourage parents to have a discussion with their children about values and responsible behavior while using the internet. Parents wishing their child not to access online resources must contact their respective principal.

RESPONSIBLE USE

Students are expected to use CCS technology equipment, software, and network services for projects assigned by their classroom teachers. The following are some guidelines concerning the use of CCS technology and network services.

- Students will respect others' right to privacy, though the church and school retains the right to examine.
- Students will not send messages using a false identity, or use the accounts of others to send messages in compliance with federal and state laws.

- Students will not add, modify, or delete CCS computer programs, files, or folders without permission.
- Students will not use the CCS internet for financial gain, commercial activity, or political activity.
- Students will not use CCS resources to purchase products or services.
- Students will not use CCS resources for illegal purposes or any other activity prohibited by school policy.

- Students will not access Proxy server websites or tamper with other firewall settings that are designed for, intended to, or by chance scan our network, or attempt in any way to circumvent our security.
- Students will not open, send, or receive obscene pictures or messages.
- Students will not upload any personal media files to any share folder, any computer, and/or the network that are not for educational purposes.
- Students will not use CCS technology resources for any non-instructional or inappropriate purpose. (Examples include: online gaming, social media, etc.)

- **Other examples of inappropriate technology and network behavior will be considered on a case-by-case basis by administration.**

CONSEQUENCES OF IRRESPONSIBLE USE

Student access to computer equipment, software and network services is a revocable privilege, not a right. Consequences for individuals violating this policy may vary depending upon the nature and seriousness of the violation. Consequences may include disciplinary action, loss of technology access, suspension, expulsion, and/or involvement of law enforcement agencies.

Students who are on any other site except those authorized by the teacher for that particular time period will be dealt with as follows:

PRIVACY

Community Christian School reserves the right to monitor, inspect, copy, and review at any time and without prior notice of all usage of the electronic network and any information transmitted or received in connection with such usage (periodic audits). All such information files shall remain the property of the school.

WARNING

Sites accessible via the computer/network/internet may contain material that is illegal, defamatory, inaccurate, or controversial. Each school computer with internet access has filtering software that blocks access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors, as a defined by the federal Children's Internet Protection Act. The school makes every effort to limit access to objectionable material; however, controlling all such materials on the computer/network/internet is impossible, even with filtering in place. With global access to computers and people, a risk exists that students may access material that may not be of educational value in the school setting.

for his/her use. The parent(s) or guardian(s) agree to indemnify and hold Community Christian School, its employees harmless from any and all loss, costs or damages resulting from the use authorized under this agreement, including but not limited to any fees or charges incurred through purchases of goods or services by the user over the electronic network. The user and the user's parent(s) or guardian(s) agree to cooperate with the school in the event of the school's initiating an investigation of a user's misuse of his/her access to the computer network and the internet, whether that use is on a school computer or on another computer outside the school's network.

COMPLAINT PROCEDURE

Matthew 18:15 teaches that if our brother offends us, we are to go and tell him alone. If he will not hear, then we go to him with another person. Please honor this when handling complaints.

If a student or parent is offended by a teacher, an appointment should be made with the teacher to rectify the situation. If after consulting together and praying for mutual understanding, this does not prove satisfactory, a conference with both teacher and parent will be scheduled with the administrator for final disposition of the matter.

In addition, the following guidelines will help:

1. Give the staff the benefit of the doubt; believe the best instead of assuming the worst.
2. Realize that a child will report from an emotionally biased viewpoint and all facts may not be presented.
3. Realize that the school has reasons for procedures.
4. Support the school and call us instead of other parents.

CAFETERIA REGULATIONS

Regulations governing cafeteria conduct will be enforced from the time the students line up in the classroom to go to lunch until regular classroom activities begin after lunch.

1. Parents bringing their child a lunch must leave it in the office. **Do not take lunches to the classroom.**
2. Order forms will be handed out every Monday and must be turned in by the Thursday of that week.
 - a. If your child does not turn in the form on time, your child will not receive a meal for the week ordering for and **must** bring a sack lunch.
3. If your child forgets to bring their lunch and did not order lunches for that week, they will call home for a lunch.
4. If your child is absent, it is your responsibility to call the school, 409-670-2913, to cancel that day's lunch by 8:00 a.m. If you forget, your account will be charged for the lunch ordered.
5. If the parent forgets to bring the student a lunch, the parent will be called to bring a lunch. It is not a guarantee that the school will have "extra" meals to charge the student account for.
6. Students who bring their lunch may purchase milk or juice. Students may also bring their beverage from home.
7. Student conduct in the cafeteria will be in accordance with the standards of good manners.
8. **If someone other than the parent is having lunch with a student, we must have a written note indicating the person's name from the parent. The only exception is if the person is on pick up list.**

CHAPEL

Chapel services are held weekly. All students are expected to be in chapel and to participate in the service. These chapel times are designated to provide a positive, meaningful experience of worship for all students at Community Christian School. Praise, worship, special music, special speakers, Christian films, the teaching of God's Word, and prayer are all part of chapel. Chapel services are a vital aspect of Bible curriculum. Parents are welcome to attend chapel at any time.

LIBRARY

Students may use the library at designated times and check out one book for a period of time per homeroom teacher's discretion. Fines are assessed daily per book for overdue books. Books must be returned before the student can check out another book. Payment is required for lost or damaged books. At the end of each grading period, report cards will be withheld until overdue books are returned and/or fines are paid.

LOST AND FOUND

All articles left in classrooms, halls, or grounds will be placed in the lost and found located in the utility room. Unclaimed articles will be donated to Orange Christian Services at the end of each nine (9) weeks. Parents are urged to mark all items clearly and to check lost and found periodically to re-claim lost items.

Classes take trips to interesting and educational places from time to time as a part of the instructional program. **Field trips are an integral part of school and are not optional. Any student that chooses not to attend the field trip will be required to attend school where he/she will be given a full day of alternate assignments.** Small fees may be charged to cover expenses. Before students can go on field trips, parents must the Field Trip Release form. **Parents assisting with field trips or parties are not to bring other children. Parents going as chaperones must have a criminal background check run by the school office.**

Excessive behavior problems will result in student being excluded from attending field trips. The student will be required to stay at school in another elementary classroom with assigned work.

ORIENTATION

Parent/Student Orientation is **mandatory** for all new and returning parents and students. Important policy and procedural changes are discussed.

PARENT/TEACHER CONFERENCES

Conferences are suggested at least once each semester. Parents and teachers should feel free to request a conference at any time they feel it necessary. **Appointments may be scheduled by emailing the teacher. Email addresses will be available at orientation and on the web site at ccsorange.org.**

PARTIES

Four parties may be scheduled each year. These include **Christmas, Valentine, Easter, and End of Year.** **Any class party not held on campus must be approved by the administration prior to the party. Parents attending parties are not to bring other children to classroom parties. We love younger siblings! However, our rooms are small, and having babies and toddlers detracts from the activities the teacher has planned.** Please note that Community Christian School does not observe Halloween. Our Christmas and Easter celebrations have a spiritual focus.

PHYSICAL EDUCATION

Physical education is required for all students. Exemptions from P.E. will be made only on the basis of a written note from a physician and only for the duration of the excuse. Students who have chronic illnesses (asthma, chronic fatigue syndrome, etc.) should have a physician's statement regarding this condition on file in the office. Otherwise, all students are required to participate in the activities unless the teacher or principal acknowledges the student's physical inability to participate.

PHOTOGRAPHS

Individual and group pictures will be taken annually. If parents wish to purchase pictures, money is to be sent **prior** to the day the pictures are to be taken. Parents will be advised of the date and cost. Sports pictures and Spring portraits will be taken at the appropriate times. No money is required ahead of time for Spring portraits. Spring portraits will be sent home for preview, after which parents will send money if they would like to order by the due date given.

A photo release form is signed at registration upon entering CCS and is kept on file for the duration of the student's time at CCS.

SEXUAL ETHICS POLICY

Community Christian School, as a ministry of Community Church, affirms the biblical understanding of sexuality as a gift from God (Genesis 2:24). In concert with biblical teaching, CCS supports the principle and practice of purity in singleness and fidelity in marriage, which is the union of one man and one woman. In addition, CCS recognizes that the **gift of gender is part of the goodness of God's creation, and is predetermined by God and revealed at conception.** Lifestyles or practices inconsistent with these biblical teachings are also inconsistent with the mission of CCS. CCS affirms the biblical teaching that all **sexual conduct outside the sanctity of marriage, including both hetero and homosexuality, is a sin, a turning away from God's ideal as outlined in Scripture.** **Students who demonstrate an impure lifestyle with no intention of repentance are subject to dismissal.**

SPIRITUAL LIFE

Community Christian School does not recognize a separation between spiritual and secular life. Every activity of the day, including play, should be as worship to God. However, specific activities stress our commitment and desire to serve Him and provide special opportunities for spiritual growth and development.

Specific activities include:

1. Prayer
2. Bible and character development instruction
3. Chapel

REPORTING ON CHILD ABUSE

We live in a society that is highly regulated. One of the unfortunate issues in our society is child abuse. The State of Texas has chosen to adopt laws that are believed to be in the best interest of children. Community Christian School will obey these laws.

Chapter 261 of the Texas Family Code requires any person having cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect by any person must

immediately make a report within 48 hours. **The person who fails to make a report commits a Class B misdemeanor.**

State agencies, after receiving a report of suspected child abuse or neglect, may come to the school to interview the child and the teacher(s). Section 261.303 of the Texas Family code provides that a person may not interfere with an investigation of a report of child abuse or neglect conducted by the Department of Protective and Regulatory Services or any designated agency and provides for court orders to be allowed on good cause if admission cannot be obtained. The child abuse hotline is (800) 252-5400.

TELEPHONE USE (School Office Phone)

Students are not allowed to use the school office telephone except in a true emergency. Forgetting assignments, sports uniforms, etc. does not equal an emergency.

Parents are discouraged from calling their children except for emergencies. In such cases, the secretary will take the message to the student or the student to the phone. Incidental messages may be left with the secretary to be delivered to the student at the end of the school day. **Students are not allowed to use cell phones during school hours.**

VOLUNTEERS

Our school could not function without our volunteers. Parents are encouraged to volunteer a part of their time on a regular basis to assist teachers, office staff, library staff, computer lab, fund-raisers, etc. Please call the school office if you are available and would like to know how you can help.

Any person working with children must have a criminal background check.

YEARBOOKS

Yearbooks may be purchased annually.

ASBESTOS COMPLIANCE

In accordance with the United States Environmental Protection Agency's Asbestos Hazard Emergency Response ACT (AHERA) which became effective December 4, 1987, Asbestos Management Plan has been prepared for the Martin Luther King facility and 16th Street Gym.

The MLK facility was constructed with strict requirements that no asbestos containing materials be used. An exclusion of asbestos letter prepared by the architect is included with the management plan. The 16th street gym was surveyed and tested and contained no asbestos.

A copy of the management plan for both facilities is available for review. If you wish to see the plan, contact the business manager at (409) 883-4498.

*****Please note: Situations may occur that are not covered in the handbook. The administration will handle these at their discretion. This handbook is subject to necessary changes during the school year.*****
